

Southfork Animal Hospital wants your pet to be free of parasites!!!

Our recommendations are: *(as endorsed by capcvet.org or heartwormsociety.org)*

Heartgard Plus: Chewable heartworm/intestinal worm preventative used monthly all year round.

Nexgard: Chewable flea & tick preventative used monthly all year round.

Products are guaranteed when purchased at an animal hospital. Merial will pay to treat intestinal worms or heartworm disease or a flea infestation if all pets within a household have been using their products for at least 3 months. Merial will not guarantee products purchased online.

Frontline Plus is still the most effective pour-on. Beware when buying other similar appearing products.
